Wishing you a Happy New Year!

Six month Smiles

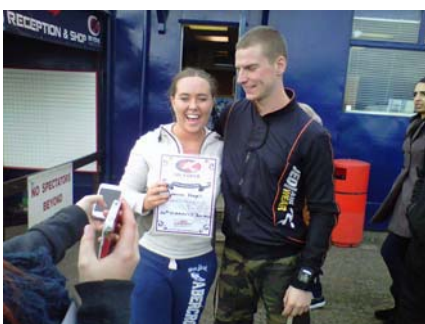

Have you ever wondered about having straighter, whiter teeth but just couldn't face wearing braces or aligners for up to three years? Our new service can give you the smile you want by your next check-up using a revolutionary new cosmetic brace system called Six Month Smiles.

Compared to other orthodontic work it is also very affordable. Book a free consultation to find out more by calling 01924 369412.

Thanks for your support!

We are really grateful to all our patients who supported our sky dive to raise funds for Candlelighters back in October. So far we have raised over £2000! The Just Giving page (www.justgiving.com/wrenthorpedentalcare) is still available for any late donations to this good cause.

Preventive care a wise investment

No one would really choose to have dental treatment. That's why we have a preventive approach. Preventive care can stop problems before they happen. With regular check-ups we can give you advice and take positive steps to help you avoid tooth decay and gum disease.

Most people prefer to invest in regular preventive visits than pay out for treatment that could have been avoided. It may be tempting to save a little money by delaying your routine dental check-up if you are not currently aware of any problems with your teeth.

However, this could cost more in the long run as any developing problems which go undetected can land you with a larger bill in the end, not to mention the possible pain and inconvenience of a dental emergency.

Interested in paying monthly for your dental care? Call us on 01924 369412 for more information or visit our website www.wrenthorpedentalcare.co.uk and click on "Payment Plans"

Happy clients!

Here are just a couple of the comments we've recently received from satisfied customers:

"Had a tooth implant. Very easy procedure. Staff were great. Found the whole process very easy from start to finish. Very pleased with the end result."

"Dr. Khan has done the most amazing job on my bridge which has made a huge difference to my everyday life. I would not hesitate to recommend."

The inspectors called

We were visited last month by two inspectors from the Care Quality Commission. Thank you very much to the patients who took time to talk to the inspectors.

They spent about four hours with us, checking that we were providing a good service to our clients and had strong systems in place to maintain and improve quality and safety.

We're very pleased to say we passed the inspection and received some great feedback. Their report will be out soon and we'll pop a link to it on our Facebook page and website for you to have a look.

Urgent dental care services

You may have heard that the NHS urgent dental care service has undergone some changes. You should now call 111 if you require urgent dental assistance or advice out of hours. Calls to this number are free from landlines and mobiles.

Contacting us

Our telephone system allows us to answer all calls in turn at either practice, making the engaged tone a thing of the past. If you don't want to wait you also have the option of leaving us a message.

In addition you can send us messages by e-mail, directly to rish@wrenthorpedentalcare.co.uk or using the contact form on our website.

Click on "Give feedback" to send us your comments. We'd love to hear from you.

You can also connect with us on Facebook. Just search for Wrenthorpe Dental Care and 'like'.

Book on line

Please note new patients can now book their first appointment via the link on our website www.wrenthorpedentalcare.co.uk.
